

Thank you

Thank you for everything you've done to me

I want to thank you for the person I was and will be

It's all because of you

You carried me for nine months too

You are like a piece of art

That will always stay in my heart

Because I love you, you don't even have a clue

I really appreciate you trust me I do

I really appreciate you trust me I do

Whenever or wherever the time takes me

I will never forget you
